APPELLANT'S UNOPPOSED MOTION FOR EXTENSION OF TIME
TO FILE REPLY BRIEF

Now comes the Appellant, Todd N. Vandervort, and files this extension of time to file his reply brief. The Appellant requests a 45 day extension of time on the grounds that Appellant needs more time to complete the reply brief. If it were not for the filing of this motion, Appellant's reply brief would be due on August 3, 2016.

Appellant requests an extension of time through September 19, 2016 to file his reply brief. The Appellant has requested 45 days of extension time on this case. The Appellee has requested 45 days of extension time, so the total time for extensions to date is 90 days.

Appellee is unopposed to this motion.

Respectfully submitted,
